STUDENT USE OF VEHICLES ON CAMPUS

The student driver and parent / guardian must remember that a student-driven vehicle on campus is a privilege that we will allow so long as the following provisions are observed.

Each student driver must provide proof of insurance for any vehicle the student may drive.

Each student driver must agree to observe the following:

- ◆ Only the listed insured of the vehicle may operate vehicle while on campus.
- ◆ The vehicle is to be parked in an assigned space.
- ◆ All state motor vehicle laws are to be obeyed.
- ◆ **Campus speed is 10 miles per hour.**
- ◆ To travel in the vehicle of a student driver, written permission is required from the parent/guardian of all students affected.
- ◆ A student driven vehicle may **not** be used for field trips and outings under any circumstances.
- ◆ The student will not drive the vehicle during school hours.

Violation of these guidelines may result in immediate loss of privilege.

Please list the license plate number(s) of the car(s) the student will be driving.

The undersigned student and parent / guardian agree to abide by the above-mentioned provisions and to hold the school harmless for any damage and all liability incurred through student driven vehicle use while on campus.
